Notice of Proposed Action

November 16, 2007

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for water pollution control discharge permit (NEV2007507) from the applicant:

Coyote Springs Reuse Water Company, LLC
300 South 4th Street, #1406
Las Vegas, Nevada 89101

The applicant proposes to utilize tertiary treated, denitrified and disinfected effluent supplied by the Coyote Springs Water Resources General Improvement District to irrigate the Coyote Springs Golf Course #1 and #2, common areas and streetscapes, and other approved reuse areas. The golf course is located at 3100 State Route 168 in the southeast portion of the Coyote Springs Development in Sections 16, 20, 21, and 22, T. 13S., R. 63E. MDB&M, in Clark County, Nevada. The reuse will be via spray irrigation on turf grasses and drip on other landscape plant materials. Effluent storage will be available in two lined golf course irrigation lakes, and in the lined effluent storage reservoirs proximal to the Coyote Springs wastewater treatment facility. The permit will cover a five (5) year period.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) as amended, and implementing regulations, the Administrator proposes to issue a permit to discharge, subject to certain limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, by December 15, 2007, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control

This Document is for Electronic Distribution

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within thirty (30) day period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Icyl C. Mulligan, of the Bureau of Water Pollution Control at 775.687.9432, or by FAX at 775.687.4684, or the Fact Sheet and Public Notice can be viewed at the NDEP website: <http://ndep.nv.gov/admin/public.htm>.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
